NATIONAL CONFERENCE 2012

6 - 8 MARCH 2012

We are pleased to invite you to the NZDSN National Conference 2012, and believe that we have drawn together an inspirational group of speakers, performers and facilitators who share our vision of actively supporting disabled people and advocating strongly for greater inclusion within all facets of our communities.

In addition to a dynamic conference programme, we are offering a **Forum** on Tuesday 6 March which will focus on the New Models of service delivery being introduced to our sector and openly discuss the challenges and implications that these will present for our members.
