**Selection Criteria:**

**All expressions of interest to be send to [Lornaws11@gmail.com](mailto:Lornaws11@gmail.com), to be received by 30<sup>th</sup> May**

**Criteria that needs to be met for consideration as an Exchange host:**

- The extent to which your organisation is actively involved in activities and/or initiatives that provides a best practice example of the exchange themes
- A description of the innovations that your organisation is involved in and how leadership is playing a role in initiating and sustaining innovation
- An overview of what a two day programme with your organisation might look like and what visitors can expect, including learning outcomes
- How you will involve disabled people and family members directly impacted by the innovation, in the exchange programme
- How you will support emerging leaders (particularly disabled people and family members) to participate and contribute to the exchange programme
- How your exchange programme will provide for the development of mentoring opportunities for new and aspiring leaders
- How your exchange programme will provide for the development of ongoing collaborations and partnerships between organisations

**Exchange Priorites:**

The priority areas of focus for the exchange will be in the areas of

- Family leadership
- Systems and service transformation
- Indigenous
- Supported decision making
- Employment
- Personal budgets
- Government officials exchange
- Disabled persons led service evaluation
- Christchurch recovery

**Information Packs**

Host agencies and visitors receive **information packs** in advance to guide them through the exchange process.
